Greetings,

On behalf of the Georgia Tech Building Construction (BC) Program, I invite you to participate in one of the most exciting and rewarding fundraising events this fall, the Ninth Annual Jim Dreger Golf Classic.

The proceeds from the tournament have been used to support many Georgia Tech Building Construction Program activities and initiatives including student scholarships, undergraduate student recruiting, computers and software upgrades, a student career fair, and many other activities that will allow the BC Program to best meet the needs of both students and the construction industry.

The Jim Dreger Golf Classic is an opportunity to give back to the Building Construction Program while enjoying some fun and competition with other industry leaders. I hope you will join me at the Tournament!
